### Event Description

We are delighted to invite you to this Paris Alignment Forum training session with Natixis Investment Managers/Mirova, on 18<sup>th</sup> October 2021.

Mirova have been working on Carbon Footprinting since 2014, looking to improve data and develop innovative approaches on a much-debated topic. In this session, speaker Jean-Pierre Dmirdjian of Mirova will describe both the technical and organisational challenge related to defining carbon metrics, including:

- Measuring Scope 1, 2 & 3, along with avoided emissions
- How this drives investment decisions
- Relationship with TCFD

**Speaker:** Jean-Pierre Dmirdjian, Mirova

**Date and time:** Monday 18<sup>th</sup> October 2021, 2.30pm-4.00pm. This event is virtual.

**Objective:** this online training session will unpack the different carbon metrics used by the investment management industry and will explore how this drives investment decisions.

**Outcome:** pension funds and asset owners will gain an understanding of the different carbon metrics used by asset managers and how this relates to their investments and future TCFD reporting requirements.

**Suitable for:** asset owners such as pension fund trustees and in-house executives, independent trustees/advisers, and consultants.

**Numbers:** the course will be limited to a maximum of 15-20 Paris Alignment Forum members. This is to allow time for each delegate to ask questions or share insights. Places will be allocated on a first come first served basis.

**PENSIONS FOR PURPOSE**  
Paris Alignment Forum

## **The Paris Alignment Forum**

The Paris Alignment Forum was established by Pensions for Purpose to help pension funds and other asset owners on their journey towards alignment with the goals of the Paris Agreement. We do this by sharing climate-related thought leadership written by our Influencer members (asset managers, consultants and lawyers), by running free training workshops for trustees and by engaging in industry-wide conversation through our quarterly all-stakeholder and asset-owner events. To find out more please click [here](#).
