### Event Description

Please join us for an **Afternoon Tea** with **Man Group** on **impact investing in UK housing**. Shamez Alibhai, portfolio manager of the Man GPM RI UK Community Housing Fund, will comment on:

- **Impact investing through housing:** how mobilising institutional investors to address the affordability crisis in UK housing can make a **meaningful social and environmental impact** across communities without compromising returns
- **Inflation:** with inflationary pressure building across the economy, Man Group will discuss their outlook for inflation and ways to integrate long-term, inflation linkage into a portfolio using real estate assets
- **Investment strategy:** this will include:
  - An overview of the regions Man Group currently finds attractive in the UK
  - How they invest responsibly from both a social and an environmental perspective
  - The secured income returns on offer to investors

This will be followed by a roundtable discussion with Q&A and shared insights, moderated by Karen Shackleton of Pensions for Purpose.

### Who is this event for?

Please kindly note that this event is open to asset owners such as pension fund trustees and executives, government representatives, investment consultants, lawyers and independent trustees or advisers.

### Speaker Biography

#### Shamez Alibhai, Head of Community Housing, Man GPM

Shamez is Head of Community Housing and Portfolio Manager at Man Global Private Markets.

"I'm excited to be part of a team that shares the same values and commitment to responsible investing and client service that I have. Our clients come to us looking for specific solutions that address the needs of the households and communities in which we invest. This is a team with deep expertise, a growth mindset and a great culture. We're continually pushing ourselves to be best in class and deliver alpha and impact for our clients."

### The Place-Based Impact Investing Forum

The Place-Based Impact Investing Forum was established by Pensions for Purpose and is co-managed with [The Good Economy](#). Its purpose is to facilitate action-oriented discussions on how to scale up institutional investment that delivers local and regional social, economic and environmental impact. We do this by sharing place-based-related thought leadership written by our Influencer members (asset managers, consultants and lawyers), by running training workshops for trustees and by engaging in industry-wide conversation through our quarterly all-stakeholder and asset-owner events. To find out more please go to our [Forum web page](#).

To become a Place-Based Impact Investing Forum member please e-mail [Sarah Nolan](#) for free sign-up.

If you would like to find out more about sponsorship opportunities and Influencer membership, please email [Charlotte O'Leary](#).

### Pensions for Purpose

[Pensions for Purpose](#) exists as a bridge between asset managers, pension funds and their professional advisers, to encourage the flow of capital towards impact investment. Our aim is to empower pension funds to seek positive impact opportunities and mitigate negative impact risks.
