

The future of investing in 3D – risk, return and impact

Going further than we've gone before in unpacking the potential for governance, social and environmental impact integration. At this in-person event, we will look at best practice and debate climate and productive finance.

When: **8 October 2024, 09:30 – 16:45 BST, followed by drinks**

Where: **etc Venues, 8 Fenchurch Place, London EC3M 4PB**
